Dear Prospective Client,

As a General Contractor, I understand both the level of professionalism and the attention to detail it takes to complete a project. In addition, integrity is another quality we look for in our trade partners. Fortunately All Phase Building Concepts, with Rick Studley as the owner, encompass all of these criteria, which is the reason we have continuously called upon his services.

My company has worked continuously with Rick Studley since 2006 on various projects such as custom homes, medical offices and banks. Due to Rick's commitment to our company's culture, we have yet to call Rick's company back for any service repairs. In addition, Rick is a team player and works seamlessly with all of our subcontractors on the job sites.

It has always been a pleasure to work with Rick Studley of All Phase Building Concepts, Inc. If you have any additional questions or concerns, do not hesitate to contact me directly.

Sincerely,

Robert Covington
